REGISTRY REMINDER: UPGRADING AN EXISTING REGISTRATION

Registrants have only one registration profile in the Registry. They can be registered as a patient, caregiver, or patient and caregiver. Individuals registered as a caregiver may be registered as a patient by having a recommendation from a certified physician added to their profile. Individuals already registered as a patient may be registered as a caregiver by being linked to a patient by their physician.

Existing registrants will not receive an automated email from the Registry with a link to upgrade their registration. To activate an upgraded registration status, registrants should visit www.ohiomedicalmarijuanaregistry.com and sign in with their registered email address and password. Once logged in, registrant should select the "UPGRADE CARD" button to upgrade a registration status.

PLEASE NOTE: If the registrant is eligible for renewal, registrants should select "RENEW CARD" to upgrade their status.

For more information, please visit our [QUICK REFERENCE GUIDE: REGISTERING AS BOTH A PATIENT & CAREGIVER](#).
